

FINDING BRUCE

CYBER SECURITY

COMMANDS

`ls`: List all files in current
folder/directory

`cat`: Display contents of a file

`grep`: Look for a pattern

`cd`: Change directory folder
[`cd ..` goes back a folder]

HINTS

`steghide`: used to hide text in a file.
Some images may not be what they appear!

Try typing:
`steghide info BruceDBear.jpeg`
